THE POWER TO INSPIRE

STRATEGY
2022-27

TeamMCR

Team MCR is a leading Greater Manchester charity passionate about **DEVELOPING THE WHOLE CHILD*** through physical activity, sport and life skills with the aim to make Manchester's children & young people the most active in Greater Manchester.

Manchester excels in the development and delivery of the National School Games with an extended reach to incorporate Sport, Health, Wellbeing, Personal and Workforce Development.

Manchester Schools PE Association (MPEA) established as a charity in 2018 but has developed and evolved in the School Sport network since School Sport Partnership and Sports College days' back in 2002. Relationships are very important to us and have proudly and consistently engaged with in excess of 80% schools in Manchester. Our Board of Trustees have been integral to the growth and development of our Charity, all of whom come with a wealth of experience and knowledge in Education, Health, Sport, Finance and Marketing and have the ability to support and influence. This has enabled us, as a charity, to be well positioned locally, Greater Manchester wide and nationally.

Our charity closely supports National strategies in a local context, particularly, The Manchester Strategy, Manchester Health & Care Commission (working together for a Healthier Manchester), Department for Education, Sport England (Uniting the Movement), Youth Sport Trust (Believing in Every Child's Future) and Greater Sport (Changing Our Lives Together).

Vision

"Giving young people the right to access life chances, choices and skills through sport and physical activity"

Purpose

To provide the young people of Manchester with a rich and diverse range of enrichment opportunities that promote physical activity, sport and wellbeing to make a life-long positive impact to them and their communities.

Objectives

- Ensure that MPEA supports and aligns with the recovery curriculum
- Champion physical and mental wellbeing across the network
- Provide a focus on equity and inclusion for young people and reduce inequalities
- To champion lifelong skills to enhance the resilience and confidence of young people
- Develop improved relationships with key stakeholders across Manchester and beyond
- Broaden the reach of what we do by extending our programmes and working collaboratively with others
- Explore appropriate funding opportunities to deliver our longer-term sustainability
- To continually measure the impact of MPEA enrichment programmes and the benefits they provide for the young people in Manchester.

*DEVELOPING THE WHOLE CHILD

Physical Development:

being active for at least 60 minutes a day supports young people to have immediate and long term health benefits.

Personal Development:

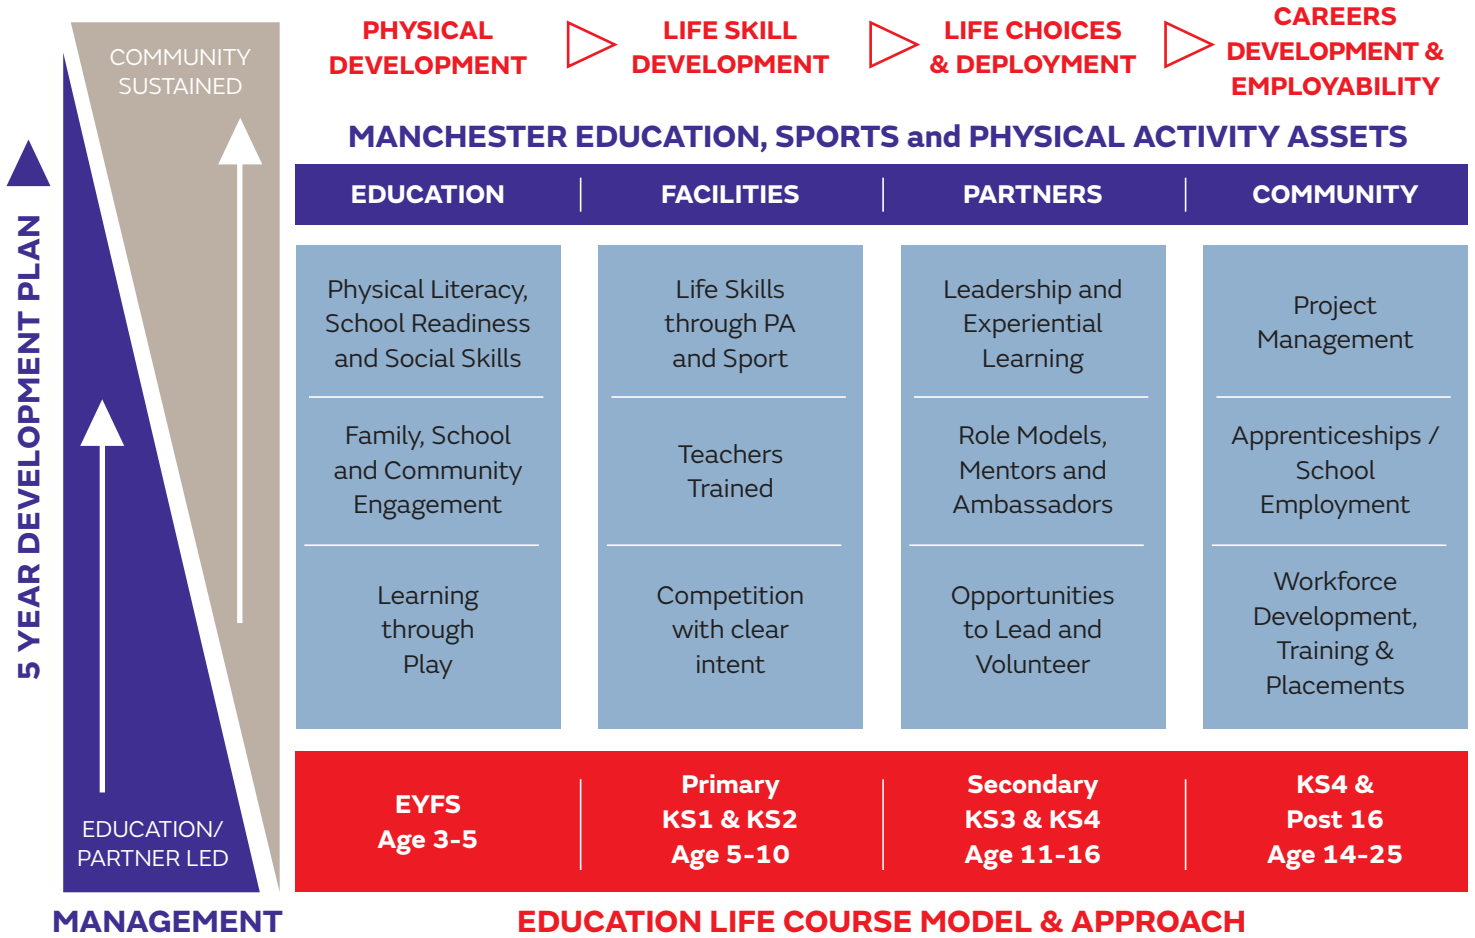

being physically active has a positive impact on young people's personal development, such as developing their leadership skills and resilience.

Emotional Development:

sport and physical activity improves young people's self-esteem, reduces stress, supports their mental wellbeing and builds their resilience.

Social Development:

providing a sense of belonging, enabling young people to develop their team work, communication, empathy and respect for others.

THE MANCHESTER STRATEGY

Vision: Our vision is for Manchester to be in the top flight of world-class cities by 2025 when the city will:

- have a competitive, dynamic and sustainable economy – cultivating and encouraging new ideas
- possess highly skilled, enterprising and industrious people
- be connected, internationally and within the UK
- limiting the impacts of climate change
- be a place where residents from all backgrounds feel safe, can aspire, succeed and live well
- be clean, attractive, culturally rich, outward-looking and welcoming

MANCHESTER HEALTH & CARE COMMISSIONING

working together for a Healthier Manchester

We have developed a strategy to work towards making Manchester a healthier place to live. Below you will find the strategy aims, that focus on the priorities and how we will help to build a better future for all.

- Improve the health and wellbeing of people in Manchester
- Strengthen the social determinants of health and promote healthy lifestyles
- Ensure the services are safe, equitable and of a high standard with less variation
- Enable people and communities to be active partners in their health and wellbeing
- Achieve a sustainable system

MANCHESTER HEALTH & CARE COMMISSIONING

Manchester Healthy Weight Strategy: 2020-2025
(A whole system approach)

Create an environment and culture where all people of Manchester have the opportunity and are supported to eat well, be physically active and achieve and maintain a healthy weight.

- To reverse the rising trend of overweight and obese children and adults in Manchester using a whole system approach.

GREATERSPORT: GM MOVING IN ACTION 2021- 2031
