\\ The EXCEL sports festivals and competitions have given our children an opportunity to meet others and make new friendships. By competing and taking part, it has developed their social skills such as teamwork, communication and respect. //

**Bex Jagger,**  
St Francis RC Primary School

\\ The INSPIRE events have helped to develop our children's confidence, knowledge and physical literacy. This has impacted across the whole school as we work to support their development as healthy, happy and active young people. Some of the children have practiced in their own time at school, at home, with friends and family. //

**Andy Coxhill,**  
Heald Place Primary School

\\ Our students love attending these competitions and they show great pride in the medals and success that they are able to achieve in a wide range of sports regardless of their ability level. //

**Adam Thomas,**  
Head of PE, Piper Hill Special School
