Lancashire Cricket Foundation is responsible for growing the game of cricket across the North West and our experienced team of dedicated Cricket Development Officers and Coaches specialise in coaching cricket in both Primary and Secondary Schools of all age groups.

### **EDUCATION WITHOUT BOUNDARIES**

**The Education Without Boundaries Programme is a unique, inspirational one day educational experience for Primary school children.**

Delivered out of the world class Players and Media Centre at Emirates Old Trafford the day involves bespoke cricket themed educational activities as well as an opportunity for pupils to play cricket in the Indoor Cricket Centre, the same venue that has helped to hone the skills of the likes of Jimmy Anderson, Jos Buttler, Kate Cross, Emma Lamb and Saqib Mahmood (N.B. limited places available which will be awarded on a first-come-first-served basis).

### **SCHOOL CRICKET FUNDRAISER**

**The School Cricket Fundraiser is optional and designed to give you an opportunity to raise valuable money for sports equipment within your school.**

The fundraiser includes a visit from a Lancashire Cricket player (professional or academy player based on availability), a whole school assembly with a chance to listen to their story and ask questions. This is followed by the sponsored cricket challenge for all pupils in the school to join in!

### **SCHOOLS GOLDEN RAFFLE DRAW**

**The Schools Golden Raffle Draw provides an opportunity for one lucky school to be our special guests.**

You will be the Guard of Honour at a Lancashire Cricket match this Summer (N.B. up to 16 pupils as part of the GoH).
