

## Team MCR - How to register to an event

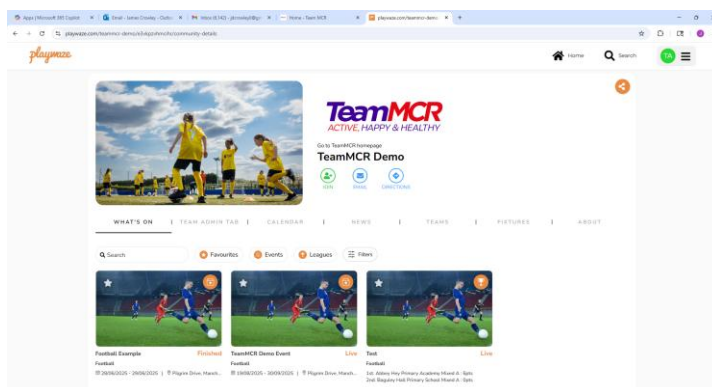

1. Either click on the booking link for the event you want to enter (if clicking on the link go straight to step 4) or login to [Playwaze](#) where you will see the screen below. If logging in select TeamMCR network

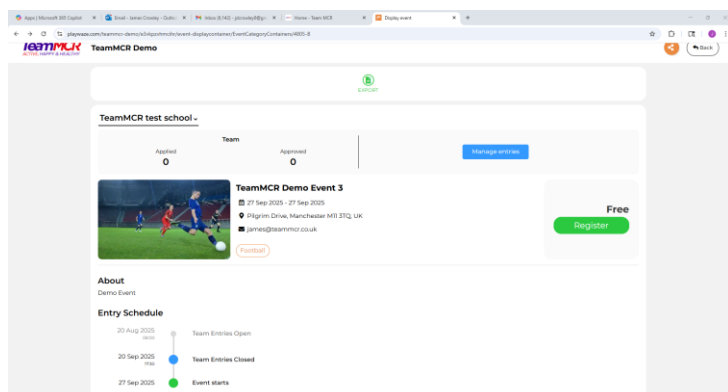

2. From the [TeamMCR network](#) then select the sports community relevant to the event you want to book

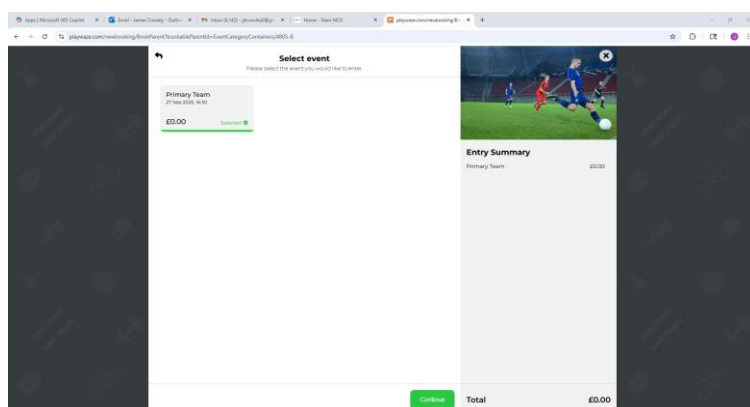

3. This will take you to the page view below. Select the event you want to book

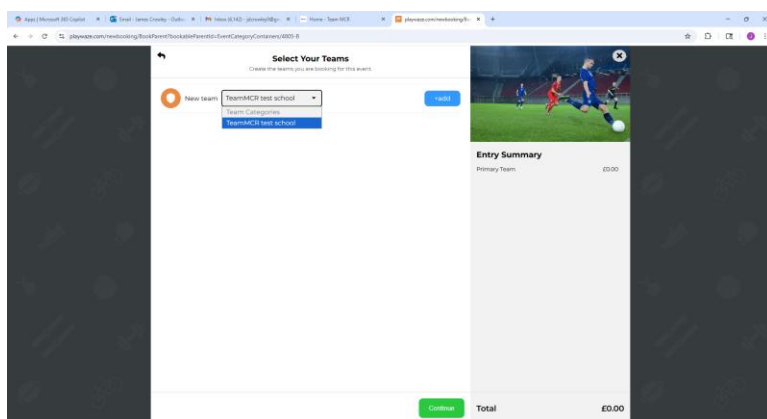

4. You will see the event screen below. Click the green register button

5. Select the event you want to enter and press continue

6. Select you team category and press add

## 7. Press Complete
