

SCHOOL GAMES INSPIRE & INCLUSION EVENTS LIST 2026/2027

INSPIRE events & festivals introduce sports and activities in a fun rather than competitive environment. These festivals and events have a greater emphasis on participation, building physical literacy, skills and confidence. They have a focus on the learning and development of the individual (not the result) and achieving their personal best.

INCLUSION events are inclusion specific events and activities, perfect for SEND students, from Special and Mainstream schools, also ideal for students who may be inactive, have low confidence, emotional or behavioural needs.

	INSPIRE		INCLUSION
